Taurus Wines  
Christmas Tastings 2011

# Taurus Wines Winter Tastings 2011

These are our now traditional Winter portfolio 'walk-about' tastings, whereby we will have a mix of 50 - 60 Champagnes, wines and spirits available for you to taste in your own time. We will show roughly the same wines at all these events although inevitably some wines will sell out before the later shows and others won't make the early ones due to shipping delays. Taurus staff will be on hand to answer any questions you may have at all the events. If you RSVP with your email address you will be sent the tasting sheet a few days prior to the evening.

The usual array of complimentary cheeses and patés will be available at all the evenings, except at Secretts where you will also have an opportunity to taste produce from their farm shop including a range of their hand-selected cheeses and the locally reared free-range turkeys that they are famous for. There will also be a discount on produce purchased from the Secretts farm shop on the night.

For more information on any of the events either contact the store by telephone on (01483) 54 84 84 or email us ([grapes@tauruswines.co.uk](mailto:grapes@tauruswines.co.uk)) or pop into the store.
